

Inspire magical moments. Sponsor a snowfall!

Between Thanksgiving and New Year's Eve, tens of thousands of people visit downtown Olympia. This year visitors will experience the magic of live performing arts in person at the Washington Center! They'll enjoy delicious dining, unique shopping, and the joy of making memories with friends and family.

You can make their experience a magical winter wonderland! By sponsoring a snowfall, you make the snow fall; we create the special effects!

Yes! Count me in!
